

Stress-free HOA & COA Governance

Easily achieve quorum, pass bylaws and reduce printing costs. Our full-service hosted virtual meeting, electronic proxy, voting, voting certificate and notice distribution services are perfect for COAs & HOAs.

What We Offer

Voting Certificate and Electronic Document Delivery Consent

We collect required voting certificates and consents to deliver notice of meeting electronically; while reducing your printing and mailing costs in the process.

Meeting Notice Distribution

We handle the electronic and hardcopy notice distribution of required meeting materials to owners

Electronic Voting, Proxies and RSVPs Services

Allow owners to easily vote (or RSVP) using our secure online platform. No apps to download, works on all web-enabled devices.

Hosted Virtual Meeting Services

Easily add HD web conferencing to your next Owner's Meeting with our fully-moderated, full-service Hosted Virtual Meeting solution, designed to help you run quicker, more efficient meetings.

How does GetQuorum work?

GetQuorum is a full-service solution at simple, flat pricing.

We provide Property Managers and Board members with a secure, hassle-free approach to COA and HOA governance.

What to expect when working with GetQuorum?

Our premium, full-service approach does more than help our clients efficiently and effectively execute COA & HOA governance procedures.

By using our industry-leading solutions, our clients can expect:

Industry Leading Service

Our team of friendly, knowledgeable experts is here to help you every step of the way.

From unlimited, live one on one support to your own personal virtual meeting manager, our team is ready to share their expertise and provide you with the support you need to ensure your next meeting is a success.

Innovative Technology

Our innovative platform provides meeting attendees and organizers with a seamless and secure experience.

Our user-friendly interface, advanced functionality, and automated processes such as, attendee registration and sign-in; ensures that your meeting will run efficiently and effectively without the need to learn new software.

Stress-Free Experience

Perfect for busy management teams, our full-service approach means that our team handles all the setup. All our clients have to do is sit back and enjoy the results.

Increased Owner Engagement

Our clients often see a noticeable increase in participation and owner engagement. On average, 60% of owners immediately consent to electronic notices.

Why work with GetQuorum?

Industry Trusted

Since 2015, GetQuorum has helped over 1000 Condominiums, COAs, and HOAs across North America run more efficient and effective governance meetings.

Innovative Partnerships

GetQuorum is a Zoom partner; this allows us to consistently provide our clients with a secure, reliable and effective service.

Proud CAI Member

As part of our commitment to improving COA & HOA governance, GetQuorum is a proud member of multiple CAI chapters, including the CAI Southeast Florida Chapter and West Florida Chapter.
